**Heather Evans - our Parish Administrator**

Heather's hours are 9.30am-1.30pm on Tuesdays and Wednesdays. In order to provide Heather with a COVID19 safe environment, the parish office, Ruth Heald Room, toilets and kitchens at St Godwald's are now to be considered 'out of bounds' please.

Heather welcomes visitors but please arrange this in advance and all visitors must wear a face mask. Heather's email is [pa.bromsgroveparish@gmail.com](mailto:pa.bromsgroveparish@gmail.com) and the office telephone number is 577759.

**Zoom services after Christmas:** Until now the broadcasting of services on zoom has depended entirely on David and Liz but with the purchase of two sets of 'kit', one for each church, this need no longer be the case. From January to Easter we will have a settled pattern of worship with services in each church most weeks, sometimes at the same time. Each church can now broadcast its own services whenever it wishes, subject to: (1) the purchase of a second zoom account – as you can only broadcast one 'event' at a time, and (2) the availability of people willing to set up in church, and from home, admit people to the service and share the service sheet on the screen. Sue and Steve already take care of the technology in church at All Saints whenever they can and Tessa takes care of sharing the order of service for All Saints. We need more volunteers at both churches and especially at St Godwald's please to learn how to do those tasks and we need volunteers at both churches to take over Liz's role in managing the service online :- (admitting/re-admitting people/ muting/introductions/closing etc). We also need more smartphones; David will continue to make his available for those services he is involved with. I am keen that we continue to offer the zoom facility throughout 2021 to ensure that our worship is available to as many as possible and especially those who cannot come to church. So please think and pray about whether you can become involved in 'zooming' whether you come to church or worship from home. Thank you! **David.**

### **Christmas Eve Drop-in Nativity 3-5pm**

St Godwald's Church and Church Hall will be transformed on Christmas Eve into the nativity story.

6 'scenes' will tell the story: Mary's House; The Journey to Bethlehem: The Inn; The Manger; Shepherds and Angels and finally, The Gift (Jesus).

Families will be invited to journey through the story moving from scene to scene. This is going to be a really ambitious and exciting COVID-friendly Christmas experience that people will remember for years.

To make it happen we need your help – especially in advance. Opposite there is a list of props we need organised by Scene. If you can offer any of these props please email one of us! Everything will be returned but, for obvious reasons, please name the items and do not lend your most precious belongings or something you need on Christmas Day! Secondly, we need help setting everything up on Wednesday 23rd December from 10am onwards in church and hall. Just bring yourself willing to help to create one of the scenes with others. Let one of us know you are coming so that we have enough help.

Thank you so much to everyone who has offered to help on the day, set up, supply and prepare props. We are still looking for more helpers.

Finally, a few people are needed to help on Christmas Eve itself. If you're free, please let us know.
